Applicant Initiated Interview Request Form - Attachment

Brief Description of Arguments to be Presented:

Initially, Applicants express their gratitude to the Examiner for the courtesies extended to Applicant's undersigned representative should the Examiner grant a telephonic interview to discuss various issues raised in the Final Office Action of 12/26/2007.

Applicants propose to amend at least claim 31 in accordance with the Examiner's comments in the Office Action page 7, numbered paragraph 9 by adding specific reference to the fact that the *remediation routines are not executed by the user*. Support for this amendment is found in paragraph [0062]. Applicants do not believe this feature is taught by the art of record and amendment would lead to allowable subject matter. The proposed amended claim follows in the next page.

Respectfully submitted,
